Real Time Location Systems [RTLS]

Symposium Sessions

Included Training

Prior meetings incorporated training into each day of the Symposium. This format has been well received, so we have decided to continue. If there is a specific area in AIMS that you would like to learn more about, please email Terri@goaims.com.

Call for Volunteers

We are looking for more volunteers to share information about how AIMS is used in your facility, and how that use can benefit other members of the AIMS family. If you would like to volunteer, please email Terri@goaims.com.

Local Entertainment & Dining

Hyatt Regency Baltimore on the Inner Harbor

Pisces Rooftop Restaurant: Baltimore's best cuisine with an unsurpassed view of Baltimore's Inner Harbor.

Bistro 300: Classic American bistro serves recipes from across the United States.

Perks Coffee Bar: Serving specialty coffee drinks, fresh pastries and light fare.

National Aquarium

Featuring over 16,500 specimens and more than 660 species of animals, the National Aquarium is a popular attraction. 501 East Pratt Street. www.aqua.org

Maryland Science Center

Hands –on exhibits and spectacular displays make the Science Center one of the most exciting places to visit. 601 Light Street. www.mdsci.org

Comedy Factory

Watch a cynical standup rant about politics. Relate to the observations of a self-proclaimed blue-collar comedian, and chuckle when a performer pokes fun at current pop culture. 36 Light Street. www.baltimorecomedy.com

B & O Railroad Museum

At this National Historic Landmark, the museum collects and preserves early American railroading artifacts. Discover nearly 200 items from locomotives and rolling stock dating back to 1830. 901 West Pratt Street. www.borail.org

Additional information will be mailed to attendees.
