

WHY ATTEND THE AIMS USER SYMPOSIUM ?

.....

10 GREAT REASONS

1 DRIVE BUSINESS INNOVATION

Gain insight on key features and shortcuts in AIMS. Receive invaluable ideas to energize your maintenance program. Take back initiatives, tools, and best practices to implement in your organization.

2 GET HANDS ON

Expand your AIMS product know-how through guided demos and live presentations.

3 ASK AN EXPERT

Get your AIMS product and usage questions answered by AIMS product experts.

ask

4 GET EXCLUSIVE INFORMATION

Receive information exclusive to the User Symposium about AIMS, industry mandates, and more!

5 NETWORK WITH OTHER AIMS USERS

Collaborate with AIMS specialists, fellow users, and industry experts about using AIMS, optimizing your maintenance program, and employing it to increase productivity and efficiency in your facility.

6 DEVELOP WHAT'S NEXT

Utilize Open Forums to exchange ideas and communicate new features and functions that you would like added to AIMS.

7 PREVIEW NEW PRODUCTS

Preview the latest AIMS components and interfaces, dive deep in new features and functionalities, and learn what's coming soon.

8 BE HEARD

Provide direct feedback to Phoenix about your AIMS experience.

9 YOU'LL BE HAPPY YOU CAME

96% of attendees were completely satisfied with the Symposium and said they would be back next year

10 LEARN FROM AIMS SPECIALISTS

Learn from Phoenix' most forward thinking leaders and key users as they share insights on software and industry trends.
